

Dear Store Manager:

I love Bachman snack foods, but I cannot find them in your store. Bachman makes a wide variety of snacks, including pretzels, popcorn, tortilla chips, and potato chips. Their most popular item, the Original Twist Pretzel, is made the old fashioned way – it's actually twisted then Brick Oven Flame Baked™ to be crispy, crunchy, and delicious!

This is my favorite grocery store to shop at, so I would love to be able to find my favorite snacks in your aisles. Would you please try to order them?

My favorite items from the Bachman snack food family are:

- Original Twist Pretzels
- Butter Twist Pretzels
- Baked Pretzel Rods
- Kidzels®
- Pita Pretzel Squares®
- Jax®
- Crunchy Jax®
- Chipitos® Restaurant Style Tortilla Chips
- Chipitos® Sweet Chile Lime Flavored Tortilla Chips
- Chipitos® Black Bean Salsa Flavored Tortilla Chips
- Bachman Popcorn
- Bachman Lite Popcorn
- Other _____

I'm including the contact information for the company. Please let me know if you decide to order Bachman snacks. Thank you, in advance, for accommodating my request!

Sincerely,
